PM मोदी द्वारा उद्घाटन किये गए मुंबई मेट्रो 2ए और 7 को यात्रियों का मिल रहा जबरदस्त रिस्पांस. मेट्रो की लोकप्रियता का अंदाज़ा इस बात से ही लगाया जा सकता है की 20 जनवरी से शुरू हुई इस मेट्रो लाइन पर 28 जनवरी तक 1 मिलियन लोगो ने यात्रा की है.

The newly inaugurated metro lines provided Mumbaikars a relief from traffic, a cut in travel time, further facilitating their travel experience.

The 18.6 km-long metro line 2A connects suburban Dahisar (East) with the 16.5 km-long DN Nagar (yellow line) while the metro line 7 joins Andheri (East) with Dahisar (East).
